

Tandem skydive booking confirmation

Thank you for booking your tandem skydive. Please take the time to read this confirmation carefully to ensure you are familiar with all the procedures for the day, and that everyone in your group brings with them what's needed. As you were made aware at the time of booking, all bookings are subject to our standard Booking Conditions and Terms and Conditions which can be viewed on the T&C's section of our web site at www.ukskydiving.com/terms. Each participant will be required to sign these before they will be permitted to jump.

If your booking has been made on behalf of other people, please remember it was your sole responsibility to ensure they were fully aware and agreed to the Booking Conditions and Terms and Conditions before you made their booking and as such cancellations will now only be accepted in accordance with the agreed terms.

Arrival times

The parachute centre opens at 7.30am at weekends, 8am on Wednesdays and bank holidays, 8.30am at other times and you should arrive at these times. We run a first come first served system, within your category of parachutist, so please don't be late. If you are running late for any reason, please ensure that you phone and speak with the staff at the airfield on 01354 740810.

Please also prepare to stay with us for the whole day (i.e. until 8pm or dark, whichever comes first) as you have chosen to share the day with up to 85 people of a similar position, and it can often take this long to get everyone jumped.

Please ensure you are prepared for the day, otherwise you may not be able to jump

Please ensure you have read the enclosed 'Tandem Student Parachutist Medical Information and Declaration' form, and obtained doctors approval, if required – see the 'Medical Forms & Weight Limits' section below for further details.

Are you under 18? If so, there are two specific forms that must be completed by your parent or court appointed legal guardian – see the 'Medical Forms & Weight Limits' section below for further details.

Have you checked to see if you are within the weight restrictions? If not, please see the Medical Forms & Weight Limits' section below regarding this, and if you have any concerns, please call us to discuss this with us beforehand.

Medical Forms & Weight limits

All participants taking part in a tandem skydive will be required to sign the enclosed 'Tandem Student Parachutist Medical and Information Declaration Form' on arrival. Anyone with a listed medical condition should first seek qualified medical advice and certification using a separate form 'Student Tandem Parachutist Request for Medical Advice'.

If anyone in your group is under 18 years of age, they must get the above mentioned 'Tandem Student Parachutist Medical Information and Declaration' form witnessed by a parent, in addition to providing parental consent on the enclosed 'Membership Agreement' form, and bring both completed forms with them on the day, otherwise they will be unable to take part. The minimum age for skydiving in the UK is 16.

Both the above forms are produced by the British Parachute Association, who is the regulatory body for skydiving in the UK. Please do not post completed forms to us or the British Parachute Association beforehand.

Typically the above mentioned forms will be enclosed, if required. However, if they are not enclosed or you require further copies, the forms can be downloaded from our website at www.ukskydiving.com/forms.

The maximum allowable weight is strictly 16 stone (clothed with shoes). However, anyone over 15 stone (clothed with shoes) will need to pay an extra £10 to cover the additional workload on the instructors.

Reasonable height to weight ratios and levels of fitness also apply - which please note is a little more stringent for woman weighing over 13 stone.

We also reserve the right to weigh and assess all participants on the day and say no if we feel it's unsuitable for them to take part. If you have any concerns whatsoever about height to weight ratios or levels of fitness please call us to discuss before attending as prior to 13 days of the booking date, reference again the Booking Conditions, no refunds are available and your only option will be to transfer the jump to another suitable person in accordance with the agreed Terms and Conditions.

Personal accident insurance

Prices also include third party public liability insurance. If you require personal accident insurance you could try www.sky-cover.co.uk (0344 892 1515).

Payment

If you have already made full payment or have a fully paid voucher please ignore this section.

As per the Booking Conditions you agreed to when making your reservation, please ensure each member of your group pays the remaining balance of their course fee at least 13 days prior to the date requested otherwise they could lose their space and booking deposit.

Payments can either be made by...

- a) Paying online by using the link in your booking confirmation email.
- b) Make a Bank transfer (allowing 2 days for verification) to our North London Skydiving Centre Ltd account (Sort Code 60-20-49 Account number 78060958) quoting the participants name and course date as the reference.

For group bookings please try to pay the total due as a lump sum rather than individual payments.

As a reminder our prices are as follows

Midweek courses are just £175 per person on Wednesdays and £210 per person on Tuesdays, Thursdays and Fridays. Weekend and other group prices are as follows...

1 person attending on their own on any Saturday or Sunday	£230
2 people attending as a group on any Saturday or Sunday	£215 per person
3 people attending as a group on any day (excluding Wednesdays)	£205 per person
4 people attending as a group on any day (excluding Wednesdays)	£195 per person
5 to 9 people attending as a group on any day (excluding Wednesdays)	£185 per person
10 to 14 people attending as a group at any time	£175 per person
15+ people attending as a group at any time	£165 per person

...for which a £50 non-refundable deposit per person has already been paid to specifically reserve places on the date given at the top of your confirmation email, and as per our Booking Conditions cannot be re-assigned to other dates, unless first agreed with us giving at least six weeks' notice.

As per our Booking Conditions, if anyone drops out or is unable to pay, the remaining balance for the other participants to pay may increase, in line with the above mentioned group discounted rates. Deposits may be transferred to other additional participants should this happen, but if you have no other person to fill the place, then deposits cannot be included in final calculations which will be payable on the day, if replacements have not been found.

Video / Photographs

Air-to-air videos and photographs of your jump (examples of which will be shown during your training) will be available on the day, and can be arranged when you arrive at the airfield in the morning. Prices are per person, as follows.

£85 – Video of the free fall element of your jump from exiting the aircraft to parachute deployment.

£115 – Video of your whole jump from emplaning the aircraft to landing under the parachute.

£115 – Digital photographs of your whole jump from emplaning to landing.

£155 – Video and Digital photographs of your whole jump from emplaning to landing.

These services are separate to those of the parachute jumps. They all involve employing the services of a qualified camera person to jump with you. Payment for video options can be made by cash, most major debit or credit card, but we are unable to accept American Express, or any form of cheque payment. There is no charge however, if you wish to film or take photographs from the spectator's area.

Weather

Skydiving is a weather dependent activity - as detailed in the Terms and Conditions.

We need to be able to see the ground when we exit the aircraft, so either requires a few holes in the clouds over the exact exit point at the time of the jump, a high cloud base, or clear skies. The maximum wind speed / gusts we can jump in can be no more than 23mph (20 knots). As we often jump on marginal weather days, when perhaps the weather forecast suggests otherwise, we never cancel jumps and do expect you to attend unless otherwise advised. If however, the weather does prevent your jump from taking place as planned, the rebooking procedures are again detailed in the Terms and Conditions.

Clothing

Jeans, trainers, tracksuits etc, are the ideal sort of clothing to wear for skydiving. Everything else such as jumpsuits, helmets, goggles, gloves etc will be provided. Glasses / contact lenses can be worn underneath the goggles we provide.

Food and Drink

Canteen facilities are available on-site throughout the day. The consumption of alcohol is strictly prohibited whilst parachuting is in progress, and anyone suspected of being under the influence of alcohol will not be allowed to jump.

Spectators

Are welcome on jumping days, but please tell them to bring their own entertainment (e.g. a good book) and prepare for a long day. Please also leave pets at home where possible.

Internet access

Computers with internet access are available in the canteen.

Accommodation

The Old Farmhouse

We have 3 double rooms available in the old farmhouse on the airfield at £35 per room per night excluding breakfast. All bed linen is provided. Breakfast can be obtained in the cafeteria (which opens at 8am on a Weekend or Wednesday, or 9am on other midweek days) for about £3.50.

All rooms are very basic. Most rooms have TV's. You can call us to check availability and make a booking.

Accommodation bookings are separate to parachute jump bookings and with limited rooms full payment is required up front. If you subsequently need to cancel, please be aware that an £18 charge per room will be made. Full payment will be required, without exception, if cancellations are made with 7 days of the reservation date. By making a booking you are accepting these conditions.

Bunk Room

We have a few bunk beds available in the onsite port-a-cabin 'rough & ready' bunk room, free of charge. You will need to bring your own bedding – i.e. sleeping bag etc. Spaces are limited so we therefore operate a first come first served system, to be fair on everyone.

Camping

Camping on the airfield is free of charge, and toilets and showers are available on site. Tents can be set up in the grassed car park area.
